

Blended Learning: Combining Online and Face-to-Face Teaching

This course description is an overview of the type of content you can expect to cover in this programme. Courses are tailored according to the teaching context of the participants. All courses support key outcomes required under the Europe 2020 Strategy in various formats with Europass available.

Who is this course for?

This course is aimed at teachers with some experience of using technology for learning and teaching. You should have a minimum language competence of B2 (Intermediate).

Course outcomes:

- Improvement of participants' key ICT related competencies and skills for work
- Opportunity for post-course dissemination of good practice at local and national level
- Increased understanding of how to foster quality improvements to teaching and learning using ICT
- Opportunities to develop and disseminate innovative teacher practice internationally
- Development of linguistic skills and intercultural awareness
- Enhancement of international cooperation and development in education

Course aims

- To help you to develop your understanding and skill set for integrating blended learning into your teaching.

Course programme

This is a hands-on course. **Topics typically include:**

- New technologies
- Using Moodle or other VLEs (Virtual learning environments)
- Blended learning methodology
- Collaborative learning
- E moderation
- Managing the blended learning process
- Designing blended learning courses, etc.
- Collaboration Tools

Bell Teacher Campus

This course will take place at Bell Teacher Campus in Cambridge, based at Homerton College which is part of the University of Cambridge. Homerton College is an outstandingly beautiful college in secluded wooded grounds with easy access to Cambridge town centre. It has first-class learning and social facilities. Half-board accommodation is available in single en-suite rooms on site. The training staff at Bell Teacher Campus are all highly qualified, many of whom are materials writers and conference speakers. Afternoons entail a conference style approach with participants able to join an interesting variety of workshops, cultural talks and a special lecture each week from a prominent speaker.
