

# Creative Methodology

**This immersive and interesting Advancing your Professional Practice (creative methodology) 10-day course will allow participants to develop their English skills and personal classroom practice through 5 teacher-led lectures and 5 practical-based sessions. Having the opportunity to share your ideas with others and then actually deliver them in ‘mini lessons’ makes our course something unique and extremely appealing to the can-do teacher.**

Alpha School’s 5 & 10-day ‘APP Teacher Training Programmes’ are our exciting and innovative new courses aimed at forward-thinking EFL teachers wanting to improve their classroom practice for a 21st Century audience.

Working with our enthusiastic and professional practitioners, a wide range of stimulating ideas will be considered to produce engaging and relevant lesson content for Secondary School aged students.
