# Why Malta?

Despite being so small, Malta is jam-packed with things to do - from historical sites to sandy beaches, from traditional village festas to prime scuba diving sites, you'll be spoilt for choice of what to do throughout the year.

## WEATHER

Malta boasts year-round mild weather climate with 300 days of sunshine in a year.

## BEAUTIFUL BEACHES

Sandy and rocky beaches are found all round the island. Just to mention a few: Paradise Bay, Blue Lagoon (Comino), St Peter's Pool, Mellieha Bay, Golden Bay... You will love swimming in the crystal clear waters anytime between May and October.

## CHEAP PUBLIC TRANSPORT

It's easy and cheap for our older students to get around the island by public transport and the distances are quite short. In fact, it won't take more than one hour to get from one tip of the island to the other.

## ENGLISH AS A FOREIGN LANGUAGE DESTINATION

Malta has been offering quality English teaching and welcoming foreign students for over 50 years and is a popular destination for students from all over the world.

**ADVENTURE**

Are you looking for an adrenaline rush? Why not join a sailing or diving course with our leisure team and go diving in seas renowned worldwide for their visibility. Malta has been voted 'Third Best Dive' destination worldwide by readers of Diver magazine.

**SAFE DESTINATION**

Malta boasts one of the lowest crime rates in Europe, making it a safe language study destination for our Teen and Junior students.

**BILINGUAL AND COSMOPOLITAN COUNTRY**

## OUR TEACHERS

Our teachers are friendly, experienced and qualified to teach our students. They offer academic guidance and all the necessary support to our younger students to be able to become more confident and fluent speakers. Every year our teachers participate in Teacher Training courses and workshops as part of their Continuing Professional Development.

## ESE SCHOOL

During the peak summer months, our Teen and Junior students follow lessons at designated classrooms at the Salini Resort or the ESE Annex School. These schools boast well-lit classrooms which are bright and equipped to create a safe and stimulating learning environment. During Spring, Autumn and Winter breaks, classrooms at Salini Resort or at the main ESE school are used. The main school is large and modern and comprises 60 classrooms (many with interactive whiteboards), a computer lab, a library, a cafeteria and student lounge.

## ESE TEACHING METHODOLOGY

Our teachers use the learner-centred, communicative approach in the classroom which places the learner at the heart of learning. Activities are organised in small groups or pairs for maximum opportunity to interact with their multinational classmates.

## ACCREDITATIONS

ESE is a highly accredited English language teaching centre. It is an accredited Trinity examination centre for GESE (Graded Examinations in Spoken English) and ISE (Integrated Skills in English). It is also an accredited examination centre for TOEIC (Test of English for International Communication).
