

English Language development for teachers & school staff

Course outline Prices & course dates

This course is as good as our General English courses - only better! Why? Because the language focuses on your professional needs working within an English-speaking school environment. This course caters for teaching and non-teaching staff alike. The other bonus of this course is that you get to choose a great deal of the course content. Personalised learning is what we excel in at Alpha School of English.

Choose up to 5 topics and 5 grammar points and we will work hard to cover these themes when you attend our language development course.

We look forward to being part of your personalised learning programme where you will experience high-quality teaching using a range of in-class and practical elements. We will also endeavour to offer you a period of time practising your language skills in real-life teaching or administrative situations within our organisation.
