****Teaching Workshop Elective**

- choose topics for your electives from the 4 main subjects:

1. Using technology in teaching (for example: work on wiki, google docs, google drive, webquests; audio and video recording tools; online notice boards; using apps to enhance memorising vocabulary)
2. Methodology of teaching (e.g. setting communicative activities; teaching grammar creatively; error correction)
3. British culture (e.g. education, traditions, geography, going out, etc.)
4. CLIL

Each applicant will be asked to complete a detailed needs analysis and the teaching workshops will be adapted to incorporate the requirements of the applicant.

Expected results:

As a result of attending this course, participants will improve language proficiency and become equipped in new methodology, techniques and skills.

This course will contribute to your organisation's European Development Plan by:

- Improving your English language skills.
- Providing you with the opportunity to continue your professional development
- Furnishing you with new knowledge and skills to take back to your workplace and disseminate to colleagues.
- Enabling you to teach up-to-date, relevant and engaging lessons to motivate and challenge learners.

Extra activities included:

Three free afternoon social activities per week

Certification awarded:

On completion of the course each participant will receive a certificate stating the content of the course and number of hours attended.

Other courses:

Is this not the right course for you?

You can also take:

- Using technology in the classroom
- CLIL course
- British culture course
- Creative methodology
- General English and conversation
