Welcome to Infinity English College.

We are proud of the high standards achieved by our professionally trained staff in the delivery of positive experiences for our clients and invite you to join us.

We are passionate in the teaching of English and our English teachers are chosen for their dedication, enthusiasm and experience. We constantly review our service offering and enjoy the positive testimonials and feedback from clients.

Located on Dawson Street we are truly at the heart of Dublin City. This location provides easy access to the school and great transportation links for accommodation options, cultural and leisure attractions.

We extend a special and personal welcome to all of our clients and are focused in ensuring they achieve a positive and enlightening experience while with us.

Accredited by

The College location is without doubt one of the best locations in Dublin - which ultimately enhances the overall experience for our students. Infinity English College is located in a heritage listed Georgian Building in the heart of Dublin on Dawson Street, one of the most prestigious streets in Dublin City Centre, just off Grafton Street.

Trinity College

Dublin Castle

Our students do not just go to class every day but also enjoy Dublin City Life, meet friends from all over the world and have many encounters in the World-renowned traditional Irish pubs dotted all over Dublin City. Dublin was recently voted the second friendliest city in the world next to Sydney.

Infinity English College is also in close proximity to Trinity College. Our students can consider an educational path at Trinity College Dublin, one of the leading universities in the World, or choose from other famous Universities like University College Dublin.

St. Stephen's Green

# ENGLISH LANGUAGE PROGRAMMES

We are committed to a high-quality learning experience for our students. Our academic staff are engaged in the provision of quality English language programmes that meet recognised professional accreditation standards, are critical, well informed, up-to-date and innovative.

Our lecturers are highly qualified, have a deep understanding of their teaching methodology, use appropriate instructional methods, and participate in sustained, intellectually rigorous professional learning regarding the English language. The monitoring and evaluation of teaching and learning processes is central, we believe, to our continued drive for excellence, relevance and quality.

What we deliver on this course is an experience for you to learn English comprehensively so that you can become a capable user of academic English, as well as maximise your conversation skills.

Our approach provides continuous assessment each week based on a developed syllabi. Our assessment framework incorporates formative assessment from week 1 to week 11 and summative assessment in week 12. By constant revision and self-monitoring we believe the achievement of learner outcomes are enhanced.

We offer levels from A0(Beginners) to C1(Advanced). All our general English courses are linked to the CEFR.

Our IELTS Exam Preparation Course is designed to prepare you for the IELTS exam.

The course focuses on optimising student achievement in the four target areas specified by the IELTS examination – listening, reading, speaking and writing. Practice exam sessions will be held throughout the course.

To maximise your exam success our Director of Studies will monitor your progress based on learner outcomes of the course and an analysis of your needs during the programme.

Long term students have a special focus on improving your reading, writing, grammar, vocabulary, listening and speaking skills in the first 3 months. Your second session focuses on IELTS exam preparation where you have continuous assessment and feedback from teachers. EU students can choose the number of weeks to invest in preparing themselves for the IELTS exam.

► Requirements: Intermediate level of English

Our Business English course is designed for students who wish to improve their overall English proficiency with a particular focus on their Business English language skills.

You will focus on your business conversational proficiency and practice meetings, phone conversations and presentations.

## ADULT GROUPS

Our Group Study programmes are designed to meet individual client needs. We liaise with Faculty heads or English Language Departments of European Universities and in consultation design a study tour for their students which may range from one to two weeks in duration.

These tours incorporate English language tuition and can include exam preparation such as IELTS or TOEIC exam preparation, Business English or

English for Special Purposes. We supplement study programmes with lectures in various disciplines such as management, leadership, engineering, entrepreneurship, depending on the requirements of the client. Furthermore we organise visits to companies of relevant industries. It should be noted that any non-English tuition elements of this programme does not fall under the remit of ACELS accreditation.

Business English	09:00 - 12:15	13:00 – 16:15 3 elective days	B1 - C1	25

Infinity English College offers a choice of intensive courses for Teachers wishing to avail of the Erasmus Plus funding or simply wishing to improve their teaching skills. Participants should be teachers of English as a Second Language in their Country or teach different subjects through English. They can also be administrative personnel in a school or interested educators.

We offer a fantastic experience for teachers who participate in this course, just read a testimonial from the group leader of one of our teacher groups;

This is a course designed for Erasmus Plus applicants and it should be noted course accreditation does not fall under ACELS recognition. Teachers are eligible for funding for Erasmus+ funding under Key Action 1. All course participants are eligible for Europass certification on course completion.

*'Our group is delighted both with the training provided and the cultural visits. From my personal perspective I must say that the course is one of the most enlightening and thought-provoking I have ever experienced in my entire career as an EFL teacher. The cultural event we went to, the Riverdance performance, was absolutely amazing'. Group Leader: Andrew Lojikowski, Teacher*

Programme	Schedule	Duration	Hours/Week

We provide an internship service for students or groups wishing to avail of the Erasmus Plus funding or simply wishing to gain work experience in another European country. This programme is designed for EU students. Many students choose to combine a number of weeks English language tuition followed by an internship 4, 6 or 8 weeks of duration and sometimes longer.

Students improve their practical knowledge of the English language and are placed in internships which relate to their academic studies. Immersed in a host family while learning to travel to work and perform tasks on a daily basis provides participants with a rich experience which can be added to their CV for future work opportunities.

### Types of Internships Available

- Horticulture Assistant: Gardening assistant, nursery, growing and producing plants / trees
- Web Marketing: Marketing products, SEO, online advertising, social networking
- Food and Beverage: Catering and serving customers, taking orders
- Sales and Marketing: Extending client database, generating leads
- IT Assistant: Working with databases, servers, projects
- Tourism Sector: Hotels, Event Management
- Electrical Engineering: Engineering Companies
- Catering: Trainee Chefs, Front of House waiting.
- Office Assistant: General Administration Duties

A complete service from airport collection to the provision of accommodation and the placement in internships with companies is provided by Infinity English College. Ideally combined with the provision of a number of weeks of English on arrival interviews are then arranged with prospective companies. On successful placement further support is provided during the programme which includes a cultural itinerary and a 24 hour emergency number.

Infinity English College provides a high school programme for students or groups wishing to be placed in a high school for a term or an academic year. This programme is designed for EU students.

Participating students benefit from a hugely rewarding experience where they are immersed in a host family while attending a carefully selected Irish High School rich in culture and tradition. We choose high schools we work with by examining their ethos, academic standards and approach to student welfare.

**On submission of the completed application the process will commence with families and the school. We will carefully choose a high school based on the applicant profile.**

A group of students, mostly young men, are posing in front of a large, multi-story stone building with a prominent turret on the left. They are all smiling and waving their hands. The building has many windows and a dark roof. The sky is blue with some clouds.

### Services Include:

- High School Placement
- Host Family Placement
- Airport Pick Up transfer
- Cultural Programme
- Programme Monitoring
- Pocket Money/Administration
- Sports Programme
- Guardianship and 24 hour Emergency service

# ACCOMMODATION

Our dedicated staff will place you in accommodation of your choice to help you familiarise yourself in Ireland from the day you arrive. We have different accommodation options depending on your needs and preferences.

## HOST FAMILY

We have an extensive database of friendly host families who have been providing accommodation for students from different countries for a number of years. The families are located in residential areas within 20 - 40 minute commute from the college. If you wish to experience Irish culture and practise your English with a native speaker outside the classroom this type of accommodation might be of interest to you.

## STUDENT RESIDENCE

If you wish to have more autonomy and meet students from different countries, a student residence option might be best suited for you. Student residences are self catering accommodation with access to a kitchen and common living area where you can socialize with other tenants. Depending on availability and time of the year, some student residences are within walking distance from the college.

## HOSTELS

Located in the heart of Dublin and only a few minutes walk from the college, hostels are best suited for students who wish to experience a rich multicultural environment and vibrant social life in Dublin. Hostels provide self-catering accommodation with access to a common kitchen and living area. Hostels are available year round.

Our cultural Activity staff organise exciting and helpful activities for our students each month. These include supplementary lessons to practise English with students from all over the world, job skill seminars to help you get an opportunity for work experience in Dublin and excursions to visit Dublin's attractions and travel throughout Ireland. Don't forget to check our social calendar each week! On arrival you can expect an Orientation Tour, Job skill session, Cultural Excursions and Conversation Classes.

We have a dedicated team who will assist you with any queries that you may have.

## Accommodation

We can arrange either host family or student residence accommodation for your stay in Ireland.

## Medical Insurance

All international students must have valid medical insurance while studying with us. We can facilitate insurance purchase for students.

## Transfer

We can organize your airport pick up before your arrival and departure.
