COURSE EXTRAS

Plenary Sessions (8.45 – 9.00)

Our daily plenaries, during which our whole school gathers, mean you start each day with an inspirational presentation or activity. You will not only attend these but also lead one each week giving you the opportunity to share your experiences with the school and attempt new techniques you've learnt as well.

Extra Training (12.30 – 1.15 on Thursday)

You will also be invited to join our teaching team for one of our regular in-house training sessions which take place at lunchtimes on Thursday. You will discuss and learn about an aspect of teaching pedagogy with the Regent teachers as part of our team.

Practice Lesson (16.00 – 17.00 on Thursday)

You will have one hour each week after school to teach a group of students. You will plan a lesson as a group with your trainer and the other participants, deliver the lesson and receive constructive feedback on your techniques.
