Many students choose homestay – living with local people in their own home. Living with a family gives you the opportunity to practise what you have learned in your lessons and an authentic cultural experience.

Self-catering or residential accommodation

This option gives you more independence and allows you to experience life in a student residence. The residences used are often university-style accommodation.

Hotels and Apartments

Alternatively, we offer a range of hand-picked hotels and apartments. Please contact us for more information.

Language in Leisure activity programme

Our Language in Leisure social and activity programme is designed to help you enjoy your location, make new friends and to discover modern local culture.

Often accompanied by your teachers or other school staff, this is the perfect way to have a great time with your friends, practise your English and experience our authentic local culture.

At least two events are included each week. The weekly programme includes activities such as a barbecue, film night, quiz night, trip to a local pub or sports activity.

Weekends and evenings

Typical excursions include: London’s West End, Stonehenge, Loch Ness, Leeds Castle, Oxford, Cambridge and overseas trips to many cities in Europe.

On most Sunday afternoons we open our schools so that you can meet up with your friends, study and socialise in a friendly and welcoming environment. We have flat screen TVs, wireless internet and student computers in all our schools, as well as student lounges and study facilities.

English World Courses

• Improve your knowledge, skills and confidence in using English
• Crystalise your goals and future through personal coaching
• Enhance your life skills by going beyond language learning
• Groups of 12 for a dynamic international arena in which to practise English

English World courses are designed to have an impact on the present and future life of the learner in an international environment. Our unique programme has five complementary elements that give learners the tools they need to operate confidently and successfully when using English as an international language.

The Skills Training develops your reading, listening, writing and study skills in English according to your needs.

The Accuracy in Grammar session perfects core grammar skills and works on the eradication of common errors.

The Knowledge for a Global Community class is at the centre of the course. Through individual and team-based research, students work on a broad range of historical, economic, sociological, artistic and cultural topics designed to equip them with the knowledge to function more effectively in the global community. Students present their findings in a range of debates, presentations, and pair and group work activities.

In the Language Focus session the core skills are brought to life by active practice in authentic contexts.

In the Confident Spoken Performance session you develop your confidence and skills in a range of speaking situations through mini role-plays, presentations and public speaking activities. With a focus on rapport building, voice quality, body language, posture and eye contact, the aim is for confident performance in a second language.

Personal Coaching

Every full time student receives a 15 minute coaching session each week, in which goals are set or reappraised, and progress and course work reviewed. On longer courses we stretch learners by setting additional tasks on which the personal tutor provides feedback.

25 hours of 60 minutes = 33 lessons of 45 minutes

Individual Tuition

- One-to-one lessons for accelerated progress
- Lesson content is an exact match to the student’s requirements
- Wide choice of number of lessons per week

Individual Tuition

Take our individual courses to make the fastest possible progress. Individual programmes of 30, 25, 20 and 15 hours per week are available for clients requiring the most intensive programmes.

Tailor-made for maximum progress

One-to-one lessons offer students a programme which is designed precisely to their own unique requirements. In this way, you make the maximum possible progress because the teacher is able to focus on your needs and your personal learning style in every lesson.

Throughout the day, you can supplement your lessons with self-study in our quiet areas. This helps to consolidate the work done during lessons. Teachers set self-study exercises and give direction and guidance for students to maximise their consolidation time between lessons.

English for Specific Purposes

Individual tuition programmes are ideal for those who need to improve their English language skills for specific purposes. Teachers are chosen for their experience in or background knowledge of the subject areas.

Home Tuition

- Individual programmes for professional, academic and cultural purposes
- Study one to one in the teacher’s home for fast progress
- Total immersion - learning from morning to night for increased fluency
- Wide choice of academic and cultural locations

Live and learn in the home of your teacher

Home Tuition is a unique programme combining intensive language training and living in the home of your personal tutor. It is a highly intensive total immersion course in which your language skills develop quickly and naturally. The programme is suitable for general purposes, business purposes or academic purposes. In your one-to-one lessons you learn the essential skills, knowledge and language that you need. Outside lessons there are many opportunities for you to practise and refine your English - over breakfast, lunch and dinner, during tea and coffee breaks, and when doing activities each week with your teacher or their family and friends.

Locations

All our Home Tuition teachers are located within one hour’s travelling time of Regent schools in Brighton, Bournemouth, Cambridge, Edinburgh, London and Oxford. At the start of your course you are given a copy of the school’s social programme. You are then able to come and go from the school as much as you wish and can take part in any parts of the leisure programme you want. This gives you the benefits of mixing with other international students and teachers, taking part in a full and varied social and cultural programme in addition to the three half day activities arranged by your Home Tuition teacher.

Supported Learning

Each Regent school has a Home Tuition Director of Studies. It is their role to liaise with you and your teacher on a regular basis. An initial meeting at the school is arranged for you to discuss your requirements from the course. The Director of Studies will also introduce you to the school, the social programme and its facilities such as the student lounge and computer centre which you may use at any time you wish. You will receive a weekly phone call from the Director of Studies to monitor your language level and progress.

Terms and Conditions

How to book a course
To secure a place on a Regent course, please return the Enrolment Form together with payment of a non-refundable deposit or book online at www.regent.org.uk.

Payment of fees
On receipt of the application and deposit a letter of confirmation is sent with a Statement of Fees which should be settled at least 4 weeks before the course starting date. In the case of registration less than 6 weeks before the course starting date, the full amount of the cost of the course must be sent with the Registration Form. PLEASE NOTE: students will not be allowed to start their course unless FULL PAYMENT has been received by the School. All bank charges must be paid by the student. PLEASE NOTE: if you require a visa the school will provide the visa letter or Certificate of Acceptance of Studies (CAS) only when full payment has been received by the school. All bank charges must be paid by the student. In the event of an unsuccessful application all fees will be returned in full, less the cost of the CAS.

Accommodation address
Students who have requested the School to book host family accommodation on behalf of the student will receive details of their host family address at least 5 days before the course starting date, unless they enrol late. This enables those students travelling independently to let the host family know of their approximate time of arrival.

Conditions for cancelling or changing a course by the Student
• If the School receives the cancellation before the course starting date, the School will retain the deposit.
• After the course has started, a student must give 10 days’ written notice to the Principal of changes to or cancellation of a course. A cancellation fee equivalent to 1 week’s course fees will be charged. Refunds cannot be made for non-attendance, absence due to illness or any other cause.
• If a student wishes to be absent from the course for 1 or 2 weeks for the purposes of taking a holiday s/he must give the Principal at least 2 weeks’ notice in writing.
• Students who choose to exchange their original choice of course for one of greater value must pay the difference between the two at the time of requesting the upgrade.
• Any refund due when a course is changed or cancelled, or a holiday taken, will be paid to the person who paid for the student’s course at his/her home address at the end of the course. ‘End of the course’ here is defined as the last date of the course specified on the booking form (i.e. if a student books a 12 week course and decides to leave after 4 weeks s/he will not be refunded until 12 weeks after the start of the course).
• If a student is denied a student visa or a study permit and wishes that his or her photo should not appear in this material, the School reserves the right to use photographs taken during the course for illustrative purposes. If a student provides the School with a copy of the rejection letter on or before the first day of classes, the School will refund the course fee.

Change or Cancellation of a course by the School
Sometimes it is agreed between the School and a student that it would be beneficial for the student to be moved to another School course. When this happens only a course of at least equivalent cost will be offered by the School.

The School reserves the right to cancel a course, or make changes to course arrangements, without liability, if forced to do so for reasons beyond its control. If this happened, the School would seek to offer alternative arrangements, dates or venues.

If the School cancelled a course booked and paid for by a student in accordance with these terms other than for reasons beyond its control, and did not offer an alternative acceptable to the student, the School would pay compensation as follows:
• Where the cancellation is before the start of the course, compensation equal to the deposit paid by the student or
• Where the cancellation is after the start of the course, compensation equal to one week’s fees.

Liability and Insurance
Students should make sure that they organise their own travel insurance to cover medical costs and repatriation costs in the case of an illness or accident.

The School acts only as an intermediary between its students and travel organisations and between students and host families. Unless and to the extent caused by the School’s negligence, the School cannot be held responsible for any delay or accident during a journey nor for any incident which may happen during the student’s stay with the host family. The School will, however, endeavour to defend the student’s interests in the event of breach of contract on the part of the travel organisation or the host family.

The School reserves the right not to allow on the course a student suffering from any illness, medical condition, or mental or physical disability which has not been disclosed on the Registration Form.

This brochure, issued by the School, gives the only terms and information that can be referred to in the event of a disagreement between the student and the School. These terms and conditions are governed by English law and do not affect your statutory rights under English law.

We use the personal information that you give us, including information about your health and religious or dietary requirements, to perform our contract with you. The information you give us is kept securely on our computer system, and is accessible by the schools and offices in the group of companies to which the School belongs, including those outside the European Union. If you do not want to receive further information from us, please write to us at the address below. Please contact us if you want to see a copy of the information we hold, or have questions about our use of your information.

The School reserves the right to use photographs taken during courses to illustrate its promotional material. If a student wishes that his or her photo should not appear in this material, they should advise the School during the photo-shoot. These photos have no commercial or contractual value.
