Regent at Stowe

Exclusive. Impressive. Stimulating.

Our summer camp at Stowe provides students with an experience of a lifetime, in an incredible environment for learning and personal development.

Stowe School is an amazing location. We use the stimulating educational environment to teach our students about the arts, culture, sculpture, sports and nature found in the school and grounds. We run two distinct immersion camps for our different age groups. Both are action-packed with 21 hours of lessons and performance projects, plus six hours of sports or arts, followed by team-building and lively evening camp activities.

All English - Senior

Students aged 13-17 have Language Skills and Language Structure lessons, followed by Interest Based Learning which nurtures academic success, encourages critical thinking and utilises their interests in life - Sports & Health, Music & Performing Arts, Art & Design, or Science & Technology.

All English - Exam

Senior students can prepare for the IELTS, Cambridge: First (FCE) and Cambridge: Advanced (CAE) exams. FCE and CAE students can take the exam on site during the course. The programme is as Senior except we replace Performance Project and Interest Based Learning with 11 hours of Exam Preparation.

All English - Junior

Younger students (age 7-12) have dedicated course leaders and teachers, skilled at engaging youngsters and helping them interact in English. The Juniors are escorted by staff throughout their course, have lively activities especially designed for younger learners and an earlier 21.30 bedtime.

The perfect setting for a special summer camp

Developing leadership and teamwork

We go beyond just language learning and help students to develop skills of independence, team working and leadership, decision making and in presenting. We place each student in an international team, which encourages a sense of belonging and creates a safe and welcoming environment. Students win Regent Lion points for their team for exemplary behaviour and successful activities, which creates competition within a positive atmosphere and boosts their confidence to join in and express themselves. In our Team-Lead sessions we run lively team building activities and reflect on leadership and team work.

Belonging to our community

The morning assembly is a lively, energetic start to the day in which students learn and engage with staff and others. At mealtimes our staff join the students in their teams. In the evenings we arrange lively activities like Talent and Fashion Shows, Murder Mysteries and Casino Nights.

Confidence in performing

The performance project challenges students to question the world around them and to discuss, compare and evaluate what they discover. They follow a weekly performance project in their teams which culminates in making a film, drama, debate or presentation in which they showcase their learning.

Releasing energy and talent

All students have an activity session filled with a variety of sports or other activities. We offer swimming, water-polo, netball, yoga, volleyball, badminton, rugby, football, basketball, dance, nature walks, cooking, henna, craft, art, clay modelling and more.

Positive – Inclusive – Results focused

Living on campus

Stowe is a very safe and secure environment. Students have a single room or share with different nationalities. Girls and boys are accommodated separately. All meals are taken in the impressive dining room at the school, except on excursion days when packed lunches are provided. The schools operate a banking service for pocket money and lockable storage facilities for valuables. Staff are residential and live on site with the students to ensure 24 hour supervision and care.

Becoming more cultured

Each week we take students on a half day excursion to a local place of interest, and a full day Saturday excursion to great cities like Oxford, Cambridge, London and Stratford upon Avon. We prepare students in advance with observation tasks or photo challenges.

Being international

In 2017 25 different nationalities studied with us at Stowe, with no more than 20% of any one nationality represented. Students at Stowe have a truly international experience. To see students own photos search Instagram #RegentStowe2017.

Regent was established over 50 years ago in 1964 by a passionate, experienced teacher who ran his first summer school in 1965. Our core values shine through our programmes:

Positive

We believe that everyone can learn to use English proficiently; we push each student to become an effective communicator. We create a positive, enjoyable environment praising effort and attitude and encouraging every individual to achieve their best.

Inclusive

Every student is in several different classes or teams. We arrange whole course activities so that students quickly feel part of the group, and can connect meaningfully with staff and other students.

Results focused

Our courses are educationally-led and designed to ensure robust progress. A coaching session, daily homework sessions and weekly tests help students to set goals and visualise progress. They create a learning portfolio throughout their stay to record results and achievements. At the end of the course students receive a Certificate and progress report.
