For admission onto the ESE International Foundation Year Programme, students must have a minimum B1/Intermediate level of English substantiated by either IELTS 4.5 or 45 in the NCC Education Standard English Placement Test. Students are required to fill in the specific Enrolment form found on the ESE website at <https://ese-edu.com/english-courses/academic-programmes/international-foundation-year/> and submit together with all required documents. Students who do not have either an IELTS 4.5 or 45 in the NCC Education Standard English Placement Test, but have an equivalent score in another internationally recognised exam such as TOEFL or TOEIC, will be interviewed online before being conditionally accepted on the programme and will be required to sit for either an IELTS exam or the NCC Education Standard English Placement Test in their country (if available,) or in Malta, before the course start date. Students who are found not to be at the required B1/Intermediate level of English may have to extend their programme to achieve a 4.5 IELTS or 45 in the NCC Education Standard English Placement Test at ESE at an extra cost. In such an event ESE will issue a Conditional Letter and students may opt to defer their course start date to the next for a Deferment fee of 145 euro.
